

Riverside Miniature Railway Club Individual Membership application form

Thank you for your interest in becoming a member of RMRC

The railway is open to the public from Easter to October mainly on Sundays, however during school holidays we are open Thursday and Sunday. We also run a Santa Special event in December.

We have six key roles which must be filled per session for safe public running. These are:

- Driver
- Guard
- Station Master
- Booking Office
- Points Guard
- Crossing Guard

Additional members are required for each session to swap roles, allowing everyone to have a break and to carry out maintenance and development tasks.

During the 'closed' season, work carries on at weekends to develop the railway. We also have an active working party group that meet on Wednesday's throughout the year.

What we require from our members:

- A commitment to volunteer for at least 8 half day sessions per year
- Regular attendance at club meetings
- Members must read all policies & documents which will be sent via email once your membership has been processed

RMRC can offer you the chance to:

- Become a member of a friendly club dedicated to providing a community attraction in a beautiful setting
- Learn to drive and/or guard a miniature train
- Be trained to help with other operational duties, Station Master, Booking Office etc.
- Drive your own loco around our ever growing 7 ¼ and 5" track
- Help us to develop and operate a signalling system
- Be involved in development of the railway, building, gardening, landscaping etc.
- Help sell merchandise
- Help with advertising and promotion
- Help with onsite wildlife promotion and conservation

If you would like to 'jump on-board' please complete both sections of the form overleaf and send it with your £10.00 membership fee to: **RMR Treasurer, 16 Flawn Way, Eynesbury, St Neots. PE19 2JT**
