### **Thank you for your interest in becoming a member of RMRC**

RMRC is a model engineering and miniature railway club, operating as an inclusive, sustainable, community railway project.

The railway is open to the public from Easter to October mainly on Sundays, however during school holidays we may open on additional days. Development sessions are held midweek and on weekends. We also aim to run a Santa Special event in December.

We have six key roles which must be filled per running session for safe public running. These are:

- Driver
- Guard
- Station Master
- Booking Office
- Points Guard
- Crossing Guard

Additional members are required for each session to swap roles, allowing everyone to have a break and to carry out maintenance and development tasks. Children cannot carry out roles independently, but they can help.

Maintenance and development work is usually carried out at weekends, mainly on non-running days. We also have an active working party group that meet on a weekday throughout the year.

#### **What we require from our members:**

- A commitment to volunteer for several running and development sessions each year
- Regular attendance at club meetings
- Members must read all policies & documents which will be sent via email once your membership has been processed

#### **RMRC can offer you the chance to:**

- Become a member of a friendly model engineering and miniature railway club, operating as an inclusive, sustainable, community railway project.
- Learn to drive and/or guard a miniature train
- Be trained to help with other operational duties, Station Master, Booking Office etc.
- Drive your own loco around our ever growing 7 ¼ and 5" track
- Help us to develop and operate a signalling system
- Be involved in development of the railway, building, gardening, landscaping etc.
- Help sell merchandise
- Help with advertising and promotion
- Help with onsite wildlife promotion and conservation
