

## **Ticket Price Increase**

RMR would like to inform our passengers of an upcoming increase in ticket price from **April 2026**.

After holding our ticket prices steady for the past seven years, operating costs have increased to the point where a price adjustment is needed to keep the railway running..

**From April 2026**, our ticket price will rise to £1.50. We hope you will agree that this increased price is still amazing value for money and that you will continue to visit and support us. Children under two years of age will still travel free of charge.

If you have any questions, please email [sectetary@riversiderailway.co.uk](mailto:sectetary@riversiderailway.co.uk)

These are some of the larger costs that ticket sales help to fund?

Electric

Water

Insurances

Maintenance of site

Credit card facility fees

Loco fuels
